

Kirkstall St Stephen's

C of E (VA) Primary School

Summer 2 2025 Year 5

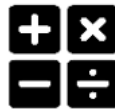

Welcome back!

The final year 5 half term is now upon us and how it has flown by! Year 5 pupils have much to look forward to in their final weeks. In addition to another action-packed half term of learning, we have an RE trip, National Sports Week and the Year 5/6 production of 'Nathan's Nightmare' to keep us focused. Please continue to support your child by encouraging them to complete their homework and read regularly at home. Thank you. for your continued support. Mr Malley.

English

In **English**, we will begin by writing to persuade based on visiting Yorkshire. In our Love to Read sessions, we will be reading Kensuke's Kingdom by Michael Morpurgo. This will inspire our second writing unit, where we will write a short adventure story. We will continue to develop our reading comprehension skills by predicting, summarising, inferring as well as exploring new vocabulary

Maths

In **Maths**, we will learn about converting measure for mass and length.

Afterwards we will learn all about statistics and look at data which is presented in a variety of different ways such as timetables and line graphs

Science

In **Science**, our focus is 'Animals including Humans.' In this unit, we will identify the different stages in the life cycle of humans. We will explore what developments occur within each stage and learn more about specific changes relative to both sexes.

Summer 2 2025 Year 5

Geography

In **Geography**, we will learn about rivers, mountains and coasts. Firstly we will explore the journey of a river and learn key terminology. After this, we will track the journey of the River Aire before exploring how mountains are formed. Afterwards we will explore key Yorkshire peaks followed by feature of a coastline including key sea-side towns in Yorkshire.

PE

Due to the summer production we will have one PE lesson this half term and this will be on a **Thursday**. Here we will practice events for Sports Day.

Art

In **Design Technology**, we will explore cams in our unit 'Moving Toys'. Here, we will learn what a cam is and the types used in products. We will later explore by making some cams before designing our own moving toy using these techniques.

Other areas of the curriculum

In **PSHE**, we are learning all about drugs and tobacco.

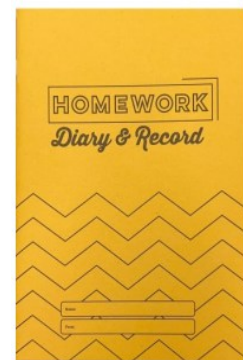

In **RE**, we will focus on Pilgrimage and compare and contrast those who seek pilgrimage.

In **French**, we will continue to learn more about clothing.

In **Music**, we will be practicing the songs for our summer 2 production.

Homework Diaries

The children should have their homework diary with them every day. Please encourage your child to record their homework and reading to keep a track of their learning.

Thank you for your continued support.
