What do Christians learn from the creation story?

## Powerful knowledge

Christians believe that God the Creator cares for the creation, including human beings. As human beings are part of God's good creation, they do best when they listen to God. The Bible shows that God wants to help people to be close to him – he keeps his relationship with them, gives them guidelines on good ways to live (such as the Ten Commandments).

THE STORY– After God created the world, Adam and Eve were put in charge, to be stewards of the world. How can we look after the world and be good stewards? Adam and Eve got greedy and desired equality with God so they took the fruit from the tree. Christians describe this as the first sin. Were Adam and Eve wrong to do this? Did they deserve to be punished?

THE PRACTICE – We will be thinking about what God is like—how can we tell from this story? Do you think this is just poetry or a historical event. Can you explain why you think this?

**What I already know**  
Christians believe God made the world and the earth and everything in it are important to God. God has a unique relationship with human beings as their creator and sustainer. Humans should care for the world because it belongs to God.

What makes you say 'wow'? Could this world come about by chance?

Is it possible to be perfect all the time? Does everybody sin?

What do you think is wonderful about this world?
