Spring 2 – Year 3 – Uni Hockey (Invasion Games)

Knowledge Organiser Hockey Year 4

About this Unit

Hockey is an invasion game. An invasion game is a game where two teams play against each other. You invade (enter) the other team's space to try to score goals.

The name 'hockey' is thought to come from a French word 'hockey' which means 'shepherd's staff'. Stick and ball games can be traced back thousands of years to ancient civilisations in China, Persia, Egypt and Greece.

In modern times, there are different versions of hockey, these include field hockey, ice hockey, roller hockey, and indoor hockey.

Field hockey first appeared in the Olympics in 1908 in London.

Can you think of any other invasion games that share these principles?

How to play:

- Create an obstacle course using markers e.g. cushions to go around, chairs to push the ball through the chair legs etc.
- Using the tupperware lid as your stick and the socks as your ball, time yourself to see how long it takes you to complete the obstacle course.
- Can you beat your time?
- Make this harder by only using one side of the tupperware box just like when using a hockey stick.
